Transportklassifikationen er godkendt på baggrund af ansøgers oplysninger om artiklen. Godkendelsen bortfalder, hvis standardklassifikationskriterierne i ADR bliver ændret, så transportklassifikationen bliver en anden end den godkendte. Sikkerhedsstyrelsen kan til enhver tid forlange artiklen prøvet i henhold til prøvningsserie 6 i "United Nations Recommendations on the Transport of Dangerous Goods, Manual of Tests and Criteria".

The transport classification has been approved on the basis of the information provided by the applicant concerning the article. The approval lapses, if the criteria for default classification in the ADR are changed in such way that the transport classification turns out different from the approved one. Danish Safety Technology Authority may at any time require the article to be tested according to Test Series 6 in the United Nations Recommendations on the Transport of Dangerous Goods, Manual of Tests and Criteria.
